

CORBROOK PARK
CARE HOME

"I felt secure in the knowledge that she was safe and being well cared for. All of the staff were friendly, caring and supportive to both mum and myself. Any queries we had were immediately answered, or dealt with as was necessary. I would highly recommend Corbrook Park to anyone with a loved one needing respite or residential care."

L.G - Daughter of Resident

Welcome to Corbrook Park

Welcome to Corbrook Park, a peaceful and welcoming care home set within the beautiful Cheshire countryside near Audlem. Surrounded by far-reaching views and extensive landscaped gardens, our elegant country residence offers a calm and homely environment where residents can relax, enjoy nature and feel truly at ease.

Here, care is always centred around the individual. Our compassionate and highly skilled team provide personalised support designed around each resident's needs, preferences and daily routines. We focus not only on delivering excellent care, but also on creating a warm, friendly community where friendships flourish, interests are nurtured and every resident feels respected, valued and truly at home.

Highest Quality Care

Our experienced and highly trained team provides compassionate, round-the-clock care tailored to every resident, ensuring each person feels supported, respected and genuinely understood. We look beyond physical care needs alone, giving equal attention to emotional well-being, companionship and quality of life within our warm and welcoming community.

With a strong commitment to dignity, independence and respect, we create carefully personalised care plans that adapt as individual needs change. The result is care that is both professional and reassuring, yet always warm, attentive and delivered with kindness, offering complete confidence and peace of mind for residents and their families.

Stimulating Activities Programme

Life at Corbrook Park is rich with opportunity, purpose and connection. We believe that meaningful activity is central to well-being, which is why we place great importance on nurturing existing skills, encouraging lifelong hobbies and inspiring new interests. Each day offers a thoughtfully curated programme designed to engage mind and body, whether through creative arts, music, gardening, gentle exercise, themed events or seasonal celebrations.

Our dedicated well-being team works closely with residents to ensure activities reflect personal passions and individual preferences, while also fostering companionship and shared experience. We are proud to work in partnership with NAPA, the National Activity Providers Association, ensuring our approach remains innovative, enriching and rooted in best practice.

We also maintain strong links with the local community, welcoming visitors and supporting residents to stay connected with the world around them, creating a vibrant and uplifting atmosphere where friendships and interests continue to flourish.

Eating Well – Living Well

Dining at Corbrook Park is a pleasure to look forward to each day. Our talented kitchen team prepares freshly cooked, nutritious meals using quality ingredients, with menus carefully planned to reflect individual tastes, preferences and dietary requirements.

Meals are enjoyed in comfortable and welcoming surroundings that encourage conversation and companionship, creating a relaxed and sociable dining experience. Residents can enjoy a range of traditional favourites alongside delicious homemade dishes, all prepared with care and attention. For special occasions, families and friends are always welcome to join us. Whether celebrating a birthday, anniversary or simply spending time together, our team is delighted to help create a memorable dining experience for everyone.

Interested in what our residents get up to on a daily basis? Why not take a look at our Facebook page!

A Home of Character and Comfort

Corbrook Park combines the charm and character of its beautiful country house setting with the comfort and quality expected of an exceptional private residence. Generously proportioned bedrooms, each with a private en suite, are thoughtfully designed to provide both comfort and individuality. Residents are warmly encouraged to personalise their rooms with familiar furniture, photographs and treasured belongings, creating a space that feels entirely their own.

Throughout the home, welcoming lounges and elegant dining spaces offer an inviting setting for socialising, entertaining visiting family, or simply enjoying quiet moments in comfort. Large windows frame views across the landscaped gardens, where sweeping lawns, mature trees and peaceful seating areas create a truly unique outdoor sanctuary in every season.

"Every team member, from the warm and welcoming reception to the exceptional nursing staff, went above and beyond to ensure Mum received the best care possible. We were always kept informed about any changes to Mum's care and any questions we had were answered promptly and with kindness."

C.C., Daughter of Resident

Our Care Services

Nursing Care: With a qualified nurse on site twenty-four hours a day, our nurse led care ensures each resident receives expert clinical support delivered with warmth and professionalism, while always preserving dignity, privacy and independence.

Dementia Care: We create a nurturing and thoughtfully structured environment where those living with dementia feel safe, understood and supported to flourish.

Respite & Recovery: Whether for a restorative short stay or post-operative recovery, we provide personalised respite and convalescent care tailored to individual needs, delivered with comfort and reassurance throughout.

Palliative Care: Our compassionate approach is centred on preserving comfort, dignity and peace of mind for those living with long term illness or life limiting conditions, enhancing quality of life at every stage.

Call us to arrange a visit — our door is always open, and we look forward to welcoming you.
